DR. L. DIX'S

PRIVATE MEDICAL OFFICE.

No. 21 Endicott Street, Boston, Mass.,

so arranged that patients never see or hear each other. Received the only entrance to his office is No. 21, having no family interruption, so that on no account can any person hesitate applying at his office.

DR. DIX

fully avows and declares he is contradicted, except by quacks, who will say or do anything, even perjury themselves to impress upon patients that he is THE ONLY BOULOGNE GRADUATE PHYSICIAN AND VETERINARIAN IN BOSTON.

SIXTEEN YEARS engaged in treatment of Special Diseases, a fact so well known to many Citizens, Publishers, Merchants, Hotel Proprietors &c, that he is much recommended, and particularly to

STRANGERS AND TRAVELLERS

to avoid and escape imposition of Foreign and Native Quacks, and novices in Boston than other large cities.

DR. L. DIX

profoundly a Professor and respectable Physician—many of us, in consulting in critical cases, because of the high regard and reputation, attained through long experience, practice and observation.

AFFECTED AND UNFORTUNATE

are now so numerous, that our offerings are derived from the best and most experienced physicians, and from all injuries and diseases.

FOOLISH AND NATIVE QUACKS.

who know little or nothing of the nature and character of Special Diseases, and less of their cure. Some exhibited their Diplomas of Institutions or Colleges, but never exhibited in any part of the world others exhibit Diplomas of the Head, but obtained nowhere, not only assuming and advertising in names of those inserted in the Diplomas, but to enclose their imposture assume names of other most noted and physicians long since dead. None can deserve by

QUACK NOSTRUM MAKERS.

through false certificates and references, and recommendations of their doctors to the public, cannot express the confidence that they possess to further their imposture, copy from Medical Books which is written of the qualities and effects of different herbs and plants, ascribe all the same to their Pills, Extracts, Ointments &c, most of which, if not all, contain Mercury, because of the ancient belief of its "curing everything," but now known to kill more than is cured, and those not killed, constitutionally injured for life.

IGNORANCE OF QUACK DOCTORS AND NOSTRUM MAKERS.

Through the ignorance of the Quack Doctor, knowing neither anatomy, nor physiology, nor chemistry, and given to all sorts of quackery, the nostrum makers, and nostrum makers equally ignorant, add to his so-called Extracts, Specific Antidotes &c, both relying upon its effects in curing a few in a hundred. It is trumpet'd in various ways throughout the land, but ALAS! nothing is said of the balance, some of whom die others grow worse, and are led to longer and suffer for months or years, until relieved or cured, if possible, by competent physician.

BUT ALL QUACKS ARE NOT IGNORANT.

Notwithstanding the foregoing facts are known to some Quack Doctors and Nostrum Makers, yet, regardless of the life and health of others, there are those among them who will even perform themselves, purporting giving mercury to their patients or that it is contained in their Nostrums, so that the "usual fee" may be obtained for professedly curing, or "the dollar" or "fraction of it" may be obtained for the nostrum. It is thus many are deceived also, and uselessly spend large amounts for experiments with quackery.

DR. L. DIX'S

charges are very moderate. Communications cordially confidential, and all may rest on him with the strictest secrecy and confidence, as never may be the disease, condition or situation of any one married or single.

TO THE LADIES. The celebrated DR. L. DIX particularly desires all ladies who need a Medical or Surgical physician, to call at his rooms, No. 21 Endicott Street, Boston, Mass., which they will find arranged for their special accommodation.

Dr. DIX having devoted over twenty years to this particular branch of the treatment of all diseases peculiar to females, it is now conceded by all (both in this country and in Europe) that he excels all other known practitioners for the safe, speedy and effectual treatment of all female complaints.

His medicines are prepared with the express purpose of removing all diseases, such as debility, weakness, and natural suppurations, engravings of the womb, also, all disorders which flow from a morbid state of the blood. The Doctor is now fully prepared to treat in his peculiar style, both medically and surgically, all diseases of the female sex, and they are respectfully invited to call at his rooms.
